When Princess Parasoul places her lips on mine, my fish-woman body heats up.

- A translation of Plaisir et désir by MiaQc

When Princess Parasoul places her lips on mine, my fish-woman body heats up. I feel a strange sensation. My skin tingles. Of pleasure? Of desire? I don't know, but my crotch feels wet. I want her. I want her to cover my hole with something, anything. When Parasoul withdraws her lips, I beg her to do something about my hole.

"Oh, I understand. Wait a bit."

The princess places her hand on my crotch and my body shudders. I moan softly. Parasoul smiles.

"We're going to have a wonderful night, you and I."
